

Health & Safety Protocol

Summer 2021

Welcome message

Dear Valued Guests,

I would like to welcome you at Christofinia Hotel. Health and safety of our guests and personnel is of paramount importance. During these trying times, we remain committed to providing peace of mind when you are staying with us so you can relax and reconnect in a comfortable and safe environment.

Christofinia Hotel has taken and will continue to take all the necessary measurements announced by the Cyprus Ministry of Health, European Centre for Disease and Prevention and Control (ECDC) and World Health Organization. Our aim is the protection of our guests and of our staff.

Our hotel management personnel have received training according to the measurements and we are ready to welcome you and offer you memorable and safe holiday. **YOU DESERVE IT!**
